# 2011 Vantage Medicare Advantage Pharmacy Directory

**CURRENT AS OF OCTOBER 1, 2010**

## **Introduction**

This booklet provides a list of Vantage Medicare Advantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Vantage Medicare Advantage's formulary. If you have any questions, please contact Vantage Health Plan at (318) 361-0900 or toll-free at (888) 823-1910. For the hearing impaired, please call TTY (318) 361-2131 or toll-free TTY (866) 524-5144. Member Services is available seven days a week, 8:00 am – 8:00 pm, from November 15, 2010 through March 1, 2011 and all other dates Monday through Friday from 8:00 am – 8:00 pm to assist you.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Vantage Medicare Advantage. In most cases, your prescriptions are covered under Vantage Medicare Advantage only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
